Re: Angela McNalley v.
National Railroad Passenger Corporation, et al
Civil Action No.: L-000-756
Our File No.: 9194

Dear Judge Legg:

I represent the Plaintiff in the above captioned matter. According to the scheduling order from the Court, the discovery deadline is this matter is August 14, 2000. Plaintiff's counsel hereby requests an 60 day extension of the discovery deadline until October 14, 2000. At this time, discovery has been exchanged by the parties, but due to extremely active trial calenders for both plaintiff and defense counsel, it has been difficult to complete discovery including taking the deposition of the plaintiff who is hearing impaired and requires a translator.

Defense counsel has no objection to this extension of time. Accordingly, counsel in this matter jointly request that the discovery deadline be extended until October 14, 2000.

Thank you for your kind consideration to this request.

Very truly yours,

P. Matthew Darby
